Project Title: Journey to the West

I'd like to build a site based on a Chinese fantasy novel published in the 16th century, during the Ming Dynasty. I want the focus to be on the characters of the novel. The following will be the pages:

- **Home Page**-Intro and summary of the novel, with images of the characters that will be on the site
- **Sun Wukong/Monkey King**
- **Tan Sanzang/Tripitaka**
- **Zhu Bajie/Pigsy**
- **Sha Wujing/Sandsy**
- **Sources**
